## EXTRACT FROM THE RULES

**The Object.** The object of the Society shall be to arouse and maintain an interest in all that appertains to the welfare and progress of the Borough and Town of Poole.

**Membership.** Membership of the society shall be open to all men over the age of 18 who are able to show to the satisfaction of the Executive Committee that they are genuinely proud of the historic past of Poole and are willing to work in order to enhance its present and future. Every application must be proposed and seconded by members of the Society

### Did you know that....

The Society of Poole Men was founded in 1924 and between 1925 and 1929 was responsible for saving and restoring Scaplen's Court (which certainly pre-dates 1572) . Scaplen's Court was handed over to Poole Town Council in 1931 and is now part of the Poole Museum Service

The Society of Poole Men arranges periodic re-enactments of the ancient ceremonies of "Beating the Bounds", both of the Borough and the Port of Poole.

The Society supports local charities and liaises with other local civic organisations with common interests.

The Society comments on planning applications for projects in the Borough, particularly those concerning the conservation areas, and on long term plans which set out policies for the future development of the area.

## What does the Society of Poole Men do?

The Society holds regular meetings for members, their families and friends, with talks on aspects of the long and varied history of Poole, visits to local places of interest, and social events to encourage a spirit of camaraderie.

The Society voices its opinions on matters concerning the Borough and the Town of Poole to the local council and to the media.

The Executive Committee meets at 7.30pm on the second Tuesday of each month (except August). Members are welcome to attend and express views, but only Committee Members may vote.
